Celebrating and Honoring Our LGBTQ+ Community

As an LGBTQ+ owned business, we want to take another step in honoring the community.

We are adding this new section where we will highlight upcoming LGBTQ+ events in each issue of our newsletter.

Day of Silence: Held on [April 17](#), it's the Gay, Lesbian and Straight Education Network's (GLSEN) annual day to protest the bullying of LGBT students and their supporters. The day-long vow of silence represents the silencing of LGBT students and their allies.

Lesbian Visibility Day: Held on [April 26](#), this day celebrates, recognizes, and raises the visibility of lesbians. The National Coalition for LGBT Health first organized this annual celebration.

We would love to assist you in creating impactful and informative programming around these heritage days and celebrations for the LGBTQ+ community. If you would be interested in these services, please contact us at julia@hummingbirdhumanity.com
